

EXHIBIT FOLSOM-2

STATEMENT OF QUALIFICATIONS FOR MARCUS YASUTAKE, P.E.

I have been the City of Folsom's Environmental & Water Resources Director since July 2013. In that position, I am responsible for all matters related to the City's water system and supplies. Prior to assuming my current position, I worked as an engineer in the City's Utilities Department since November 2006. I have a Bachelor of Science Degree in BioResource and Agricultural Engineering and a Masters of Science in Water Engineering from California Polytechnic State University, San Luis Obispo. I am a registered California civil engineer, registration number 69158.
