Attorneys for Protestant Islands, Inc.

1 Local Agencies of the North Delta et al. ("LAND et al.") and Islands, Inc. provide this  
2 Notice of Errata to Exhibit LAND-8, LAND-37, II-1, II-25 and II-40, which were previously  
3 submitted to the CWF WaterFix hearing team on September 2, 2016. Please take notice of  
4 the following changes to these exhibits:

5 1. Exhibit LAND-8: The previously submitted Exhibit LAND-8 is an excerpt from the  
6 July 30, 2014 PowerPoint Presentation titled, "Top Seven Insights from the 2014 Delta Drought  
7 Modeling," from Tara Smith, which was presented at the Municipal Water Quality  
8 Investigations Annual Meeting. For completeness, this file is being replaced with a true and  
9 correct full copy of the PowerPoint presentation.

10 2. Exhibit LAND-37: The previously submitted Exhibit LAND-37 is a PowerPoint  
11 Presentation of Josef Tootle. The revised PowerPoint Presentation includes additional slides  
12 for the purposes of summarizing his testimony. (LAND-35.) Each of the new slides is marked  
13 with the exhibit reference for the information.

14 3. Exhibit II-1: The previously submitted Exhibit II-1 is Stan Grant's Statement of  
15 Qualifications. Additional experience has been added to clarify his qualifications.

16 4. Exhibit II-25: The previously submitted Exhibit II-25 is the PowerPoint  
17 presentation of Erik Ringelberg, which summarizes his testimony. An incomplete preliminary  
18 draft version was uploaded on September 2, 2016 due to a clerical error. The correct file,  
19 which was complete prior to September 2, 2016, is now being submitted.

20 5. Exhibit II-40: The previously submitted Exhibit II-40 is Tom Hester's Testimony.  
21 The correct version submitted herein includes the missing citations on page 1 and page 2.
