HIST 183A: California History, Dr. Lee Simpson-Guest Lecturer: September 2012

Volunteer Experience:

**Fire and Water: Examining Our Region as a Tribal Advocate
Panel Member with Amanda Ford (Environmental Justice Coalition for Water),
Monique Sonoquie (Chumash/Apache/Yaqui) and Gary Mulcahy (Winnemem
Wintu)**

*UC Davis Native American Contemplation Garden within the Arboretum, Mrak Hall
Drive*

The Fire and Water Workshop began with an orientation that introduced the living culture of Northern California tribes. Participants walked through the UC Davis Arboretum with a guide from a Northern California Tribal Community and learned about the traditional ecological history of the area. The Native plant gardens facilitated the exploration of native and non-native plants and how non-native species have changed the cultural practices of Tribes. Participants were invited to ask questions from a panel comprised of Tribal voices and to engage in interactive demonstrations like the Fire and Water Role-play simulation. With the goal of facilitating empathy for the issue(s) of the Tribal perspective, participants worked together to solve real-life issues. Participants learned ways they can act to support the goals of Northern California Tribes. Finally, participants created personal manifestos that lead them from personal commitments to public action.

California Drought, Water, and Equity Project: Panel Member

Pacific Institute, Environmental Justice Coalition for Water, TomKat Foundation

June 2016-January 2017

- Served as an advisor on tribal water policy to publish a report surveying how the drought has inequitably impacted communities around the state, highlighting stories of those groups most severely impacted and providing statistics for context.
- The report explored the many avenues through which communities rely on water: for domestic use, ecosystem services, and to fuel the agricultural economy.
- The group focused on communities that have historically been underrepresented in decision-making about water.
- The report also evaluates the policy measures that were put in place to mitigate impacts of the drought and offer concrete suggestions on how best to cope with drought in the future, as conditions in California grow warmer and drier.
- The project culminates with two summits to share the results of this research and initiate discussions with community members and water system representatives to move these strategies forward.

Radical Roots in Public History: Contributor

June 2016-Present

Radical Roots: Civic Engagement, Public History, and a Tradition of Social Justice Activism is a collaborative research project designed to broaden the accepted genealogy of public history. The work is defined by two interrelated goals: (1) to identify new historical precedents for core values and practices that define the field, particularly those associated with civic engagement; (2) to develop new critical perspectives on the ways in which those practices have been put to the task of advancing social justice, in the past and today. Together, these goals allow the group to trace a history of progressive political activism and advocacy inside the field of public history. The research team, composed of twenty public history educators, museum professionals, oral historians, and preservationists, has been working together for two years.

Preservation Sacramento: Board Member

October 2015-Present

- Preservation Sacramento is dedicated to protecting Sacramento's historic places and encouraging quality urban design through advocacy, outreach, and activism. Preservation Sacramento is a membership-based 501(c)(4) non-profit originally founded in 1972 as the Sacramento Old City Association.
- Is committed to a Sacramento where all citizens recognize the intrinsic value of historic sites and cherish them as a vital part of everyday life. We envision a Sacramento where citizens advocate for careful use of our diverse historic resources and understand the economic and social benefits of historic preservation.
- Preservation Sacramento aspires to create a universal preservation ethic in the Sacramento region that prevents losing our past through neglect, ignorance, or monetary expediency. We will strive to remind Sacramentans throughout the region of the value of our shared past, the ways in which it enriches our lives, and the irreplaceable legacy it provides our children.
- Currently serves on the following subcommittees:
 - Chair, Historic Districts and Landmarks
 - Member, Membership Outreach

California Native American Day, Sacramento: Co-Chair

March 2014-Present

- Serves as Co-Chair of the Annual Native American Day celebration on the West Steps of the California State Capitol
- Helps coordinate volunteers and subcommittee members to accomplish goals and tasks for the annual event
- Served as the Media/Graphics Committee lead. Helps organize and conduct outreach for social media sites, local news crews, and outreach to Native American organizations.
- Organizes groups on the day of the event to help with set up and break down of tents, direct volunteers, and helps coordinate exhibit set up for the event.

Governor's Office of the Tribal Advisor, Appointed Volunteer

September 2015-November 2015

- Assisted the Chief Deputy Tribal Advisor on the efforts of the Governor's Tribal Advisor. These efforts included updating media/website related to drought and agency contacts list, reorganization of office files, and outreach to tribal communities related to administrative information.

CalRecycle, Executive Offices-U.S./Mexico Border-Environmental Justice Waste Tire Strategic Plan, Volunteer Researcher

September 2015-November 2015

- Assisted the Chief Deputy Director & Environmental Justice Coordinator at CalRecycle to develop viable strategic plan and planning materials for U.S.-Mexico Waste Tire Interagency Programs.
- Made comments on documentation, created tables, and organized information for review by executive staff members at various departments and agencies including the Deputy Secretary & Assistant Secretary in the Border Affairs Unit at CalEPA.
- Researched and analyzed ongoing and current programs on the New River, Tijuana River, Smuggler's Gulch, and Baja California & San Diego

LegiSchool Project: Center for California Studies, CSUS, Volunteer Editor

October 2014-February 2015

- Reviewed over 150 papers from 11th-12th grade students across California
- Essay contest sent 10 students across the state to tour and meet legislators at the California State Capitol
- Reviewed essays based on content, grammar, spelling, and clarity of writing

NAGPRA Program, Department of Anthropology: Sacramento State University, Volunteer Researcher

October 2013-July 2014

- Transcription of Betty Castro Oral History at the Center for Sacramento History: December 2013-February 2014
- National NAGPRA Database searches of federal collections containing Sacramento County archeological materials.

California State Office of Historic Preservation: Volunteer Researcher, Update of California Historic Landmark (CHL) #210: Oldest House North of San Francisco

December 2013-March 2014

- Update of CHL # 210 to incorporate Native American significance of site. Conducted secondary and primary source research on Camilo Ynitia, only California Indian to hold a U.S. patented land grant to establish significance under the California State Landmark criteria. The State Historic Resources Commission approved this updated nomination on April 22nd, 2014. The name of California Historic Landmark #210 was changed to the Camilo Ynitia Adobe as a result of the update.

California Indian Conference (CIC), Sacramento State University: CIC Planning Committee Member

February-October 2013

- Helped organize the California Indian Conference at Sacramento State University and member of the planning committee of conference, October 3rd-October 5th, 2013.
- Chaired Session #2 at the Conference, October 3rd, 2013: “Cultural and Political Sovereignty: California Successes and Downfalls,” with Dr. Justin Spence, Assistant Professor in Native American Studies at UC Davis, Alan Leventhal, Office of the Dean, San Jose University, and Paul H. Gelles, Midland School.

CSUS Society of American Archivists Student Chapter: Member

September 2013 –December 2014

- Researcher for the Archival Research in Sacramento (ARIS) database project. Researched the archival collection at UC Davis, provided short one page synopsis for novice researchers to explore the collections of UC Davis, and worked with project coordinator and manuscript archivist to edit the document for ease of researchers.

CLIO: Annual Publication of Phi Alpha Theta, Volume 23, 2013: Associate Editor

Fall 2012- Spring/Summer 2014

- Served as associate editor for the Sacramento State Phi Alpha Theta Clio Journal editorial board for fall 2012 and spring/summer 2014. Edited four research level papers and worked closely with authors to meet deadlines as well as edit grammar and content of submitted work.

California Council for the Promotion of History (CCPH) Conference Volunteer

October 2012-2013

- Helped register attendants of the conference, passed out brochures and promotional materials, answered questions, and helped coordinate sessions at both the Woodland (2012) and Hanford (2013) conferences.

Sacramento Archives Crawl: Society of California Archivists Volunteer

October 2011-October 2012

- Helped coordinate activities at the California State Archives, managed the Society of California Archivists table, passed out brochures and promotional materials, answered questioned, and directed patrons to different booths/repositories at the event.

Sacramento County History Day, Judge: Inderkum High School

March 2012-Present

- Judged and evaluated students’ entries and provided both the positive and constructive feedback that was essential to the learning process.
- Began the day with an orientation where we reviewed the day’s timeline, learned how to use the National History Day scoring sheets, discussed consensus judging, and met fellow judges and judge captains.
- Judging teams consisted of two or three members, with a mixture of veteran and novice judges.
- Judged paper and exhibit categories.

California State Railroad Museum-Docent

Sacramento, California

February 2010-July 2010

- Worked with visitors in interpreting information at exhibits.
- Disseminated information to interested patrons about museum, activities, facilities, and events.
- Independently discussed problems, concerns, and questions a patron may have, and direct them to an appropriate supervisor.
- Independently researched different aspects of early California and Central Pacific Railroad history and created interpretation plan for patrons.

The Historical Sites Society of Arcata: Phillips House –Docent

Arcata, California

August 2009-December 2009

- Helped set up temporary and permanent museum exhibits in museum.
- Sorted and collected photos from archives to put on display around museum.
- Led tours throughout museum and collected donations.
- Independently worked in museum, cleaned, and set up displays for patrons to view.
- Researched different aspects of Arcata and Humboldt, CA history and developed information for tours on museum site.

HSU Natural History Museum-Archival Management Intern

Arcata, California

January 2009-May 2009

- Put together packets to distribute to classrooms.
- Worked with fossils: sorting, numbering and cataloging in archival database.
- Sorted and disposed old teaching material.
- Organized archival materials and placed them in appropriate storage units.
- Helped set up displays for viewing.
- Worked closely with museum director and wrote articles for monthly membership newsletter.

Technical Skills

Microsoft Project, TinyTerm Database, Archivist's Toolkit, Microsoft Word, Excel, and Outlook, Adobe, Photoshop, ReserveAmerica, POS Registers, EMu Database, Client Profiles CX Database, fax machines, copy machines, and scanners

Professional Experience

Department of Toxic Substances Control: Office of Environmental Justice and Tribal Affairs-Environmental Justice and Tribal Affairs Specialist

Sacramento, California

November 2015-Present

Coordinates large scale projects for the Office of Environmental Justice (EJ) and Tribal Affairs using project management techniques. Project lead for implementation of the DTSC Tribal Consultation Policy. Works closely with staff in all DTSC programs, as well as DTSC and CalEPA Executive staff, to insure inclusion of Tribal input in the decision making process and to implement policy. Helps to coordinate AB 52 implementation for Permitting, Schools Siting, and Clean-Up programs at DTSC. This includes developing policy and strategy surrounding development of effective process for CEQA implementation.

Interacts and maintains working relationships with Environmental Justice communities and California Indian Tribes (Federally and non-Federally recognized). Assists in development of EJ and Tribal Affairs policies, procedures, and implementation strategy. Acts as EJ and Tribal Affairs Liaison for the Permitting Enhancement Workplan (PEWP) and the Office of Public Participation Team as well as implementation of EJ and Tribal Affairs deliverables from the PEWP. Helped coordinate the efforts of the Permitting Enhancement Workplan Team. This included reviewing regulations for the Permitting Administrative Completeness Checklist,

assisting with the development of DPM training for the Hazardous Waste Management Program & coordinating with Southern California DTSC staff on Los Angeles Environmental Justice Network presentation related to violation scoring procedures in the Permitting process. Assists in day to day operation of Office. This includes: HR requests, budget, and administrative duties as applicable.

California State Parks: Cultural Resources Division-Program Assistant

Sacramento, California

September 2015-November 2015

Assisted Cultural Resources Division Chief and Tribal Liaison Coordinator on efforts related to Tribal Consultation between Parks and 109 federally recognized tribes. Edited policy documents, provided high-level of support to Division Chief, and made recommendations on Tribal Consultation efforts. Worked cooperatively with the Tribal Advisor, Deputy Tribal Advisor, and DWR Tribal Policy Advisor to coordinate the annual Native American Day and Tribal Leader's Forum. Drafted marketing materials and did outreach to media outlets such as News from Native California and First Nations Experience (FNX). Staffed registration booth and assisted Tribal Leaders on logistics of both Tribal Leader's Forum and Native American Day. Helped coordinate the efforts of the Committee on Repatriation with acting NAGPRA Program Director. Made recommendations on policy development for review by Parks legal staff. Assisted efforts of the Parks Transformation team. Helped to coordinate the Natural/Cultural Resources quarterly meeting at McClellan facility. Assisted Museum Curator III on review and update of policy document, DOM 2020. Compiled and summarized information for document composition, staff reports, and presentations for Executive Staff. Assisted administrative staff on day to day operations of the office. This included compiling information, filling out forms, assisting with travel claims and HR documents.

Capital Fellows Program: Center for California Studies, CSUS-Executive Fellowship Government Operations Agency

Sacramento, California

October 20th, 2014-August 14th, 2015
