

PLACER COUNTY WATER AGENCY  
SUMMARY OF TESTIMONY OF  
MR. EINAR MAISCH

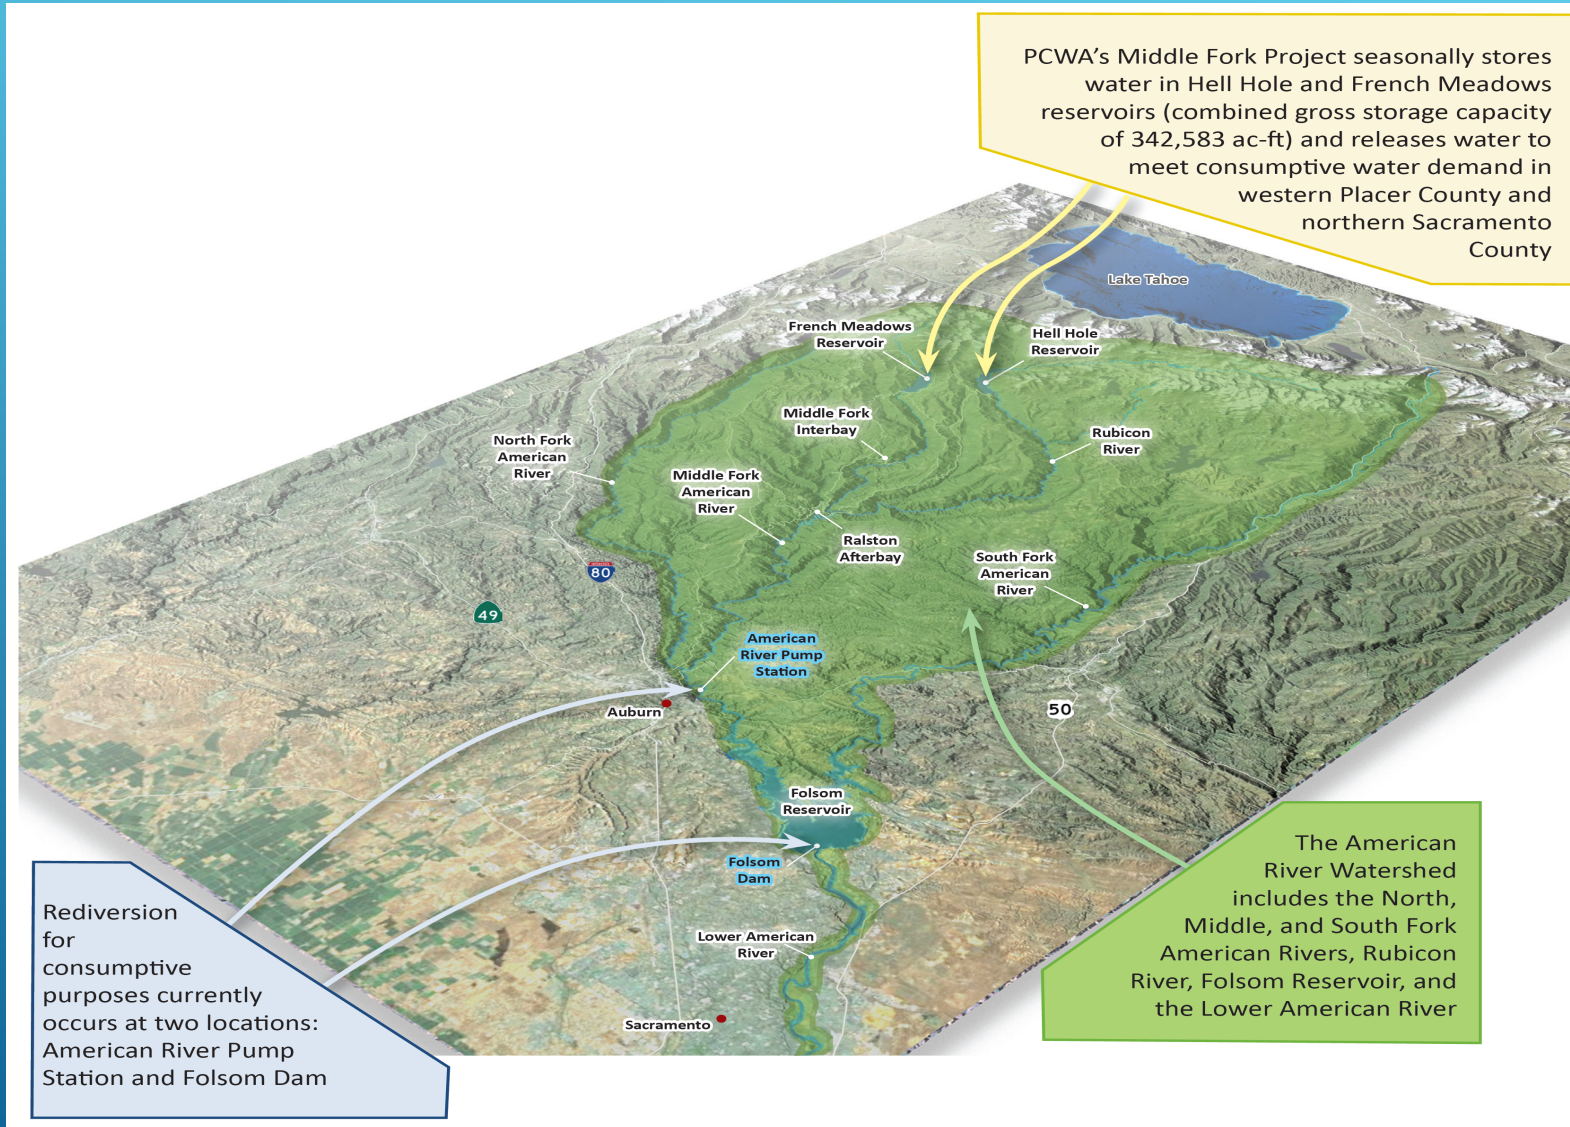

September 1, 2016

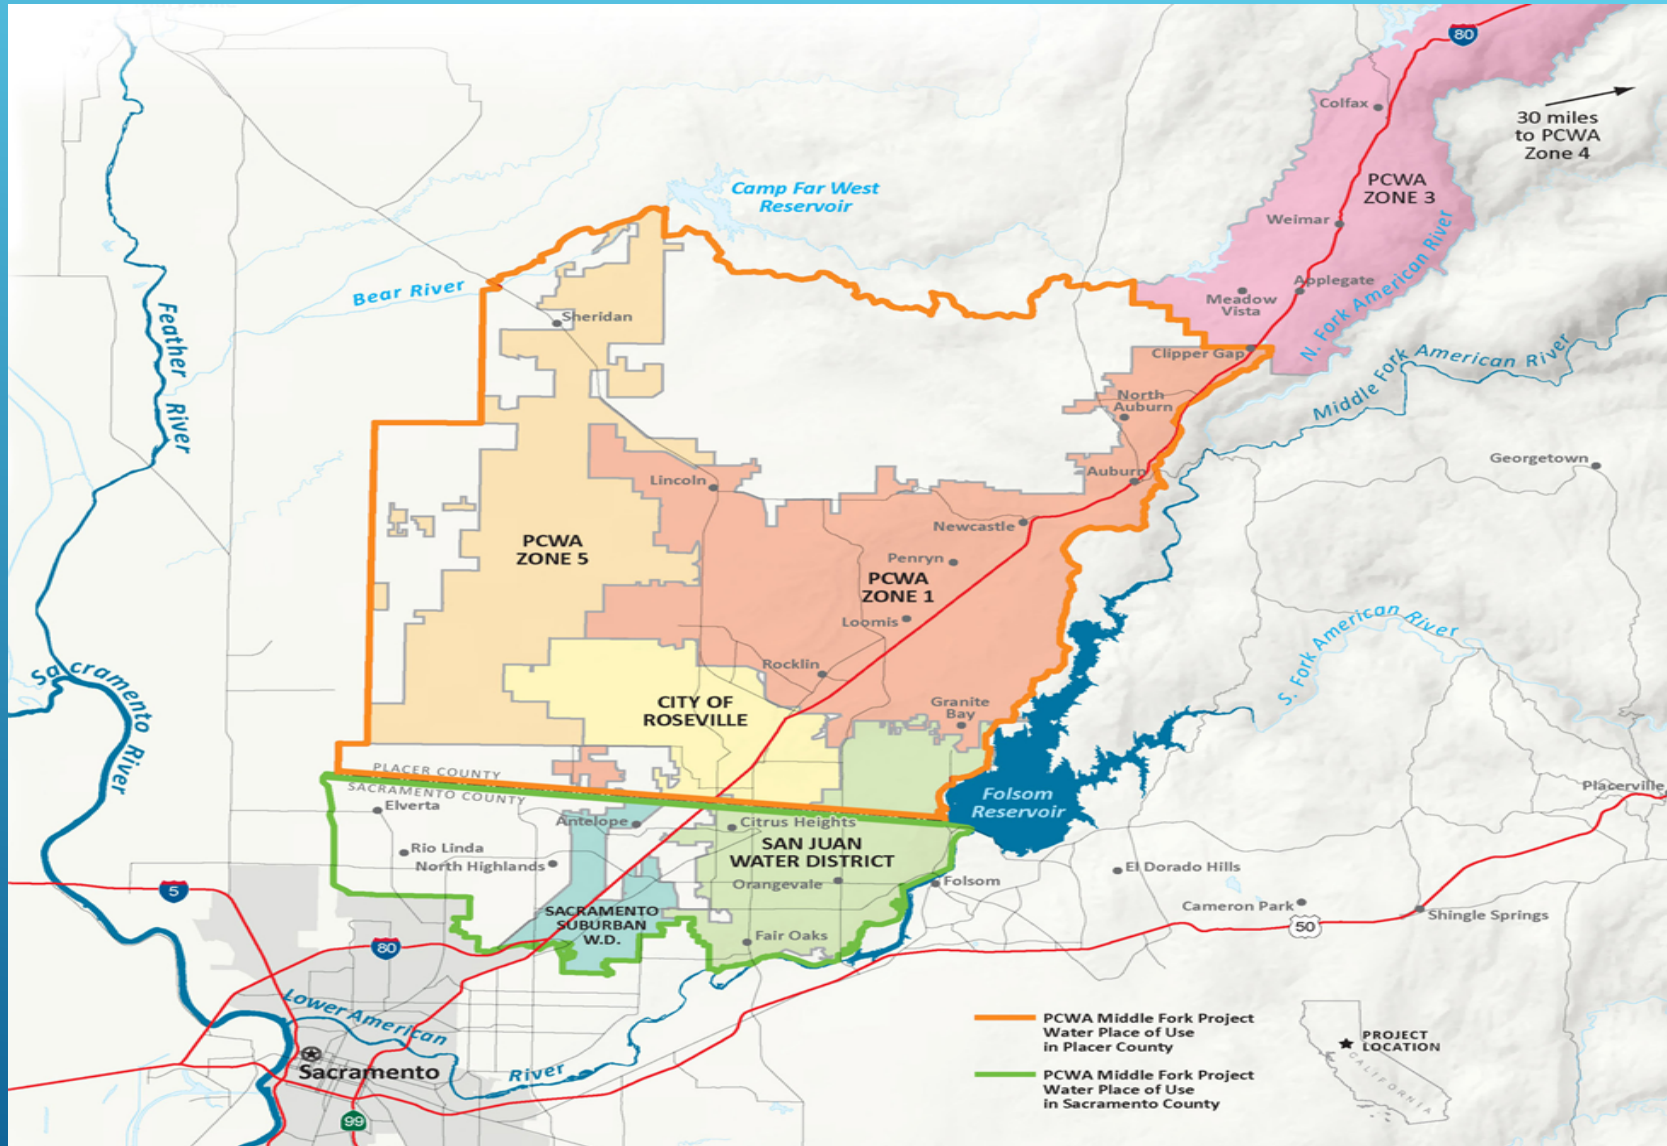

# PCWA Water Rights

- PCWA maintains Water Right Permits 13856 and 13858 for consumptive water use issued in 1963
  - Existing permits allow for the diversion, storage, and rediversion of water from the North Fork American River, Middle Fork American River, and select tributaries
  - Uses include: irrigation, domestic, recreational, municipal, and industrial use in western Placer County and northern Sacramento County
  - Two existing points of rediversion for consumptive uses: the American River Pump Station at Auburn, CA and Folsom Dam
