I, Erik Reyes, do hereby declare that I am an expert in modeling the California  
Central Valley system as it relate to the State Water Project and Central Valley Project. I  
am employed by the Department of Water Resources (DWR) as Chief of the Central Valley  
Modeling Section in DWR's Bay-Delta Office. I received a Bachelor of Science degree in  
civil engineering from the University of California at Los Angeles in 1995. I am a registered  
Civil Engineer in the State of California. I have over seventeen years of experience in  
Central Valley water modeling and have spent the last 3 years in my current role as Chief.  
I am responsible for leading the development, maintenance and application of  
mathematical models for the California Central Valley system related to the State Water  
Project and Central Valley Project. A copy of my statement of qualifications has been  
submitted as DWR-27.
