1 Tehama-Colusa Canal Authority and water service contractors within its service area  
2 ("TCCA") hereby joins and incorporates in full by reference the response submitted by the  
3 Sacramento Valley Water Users ("SVWU") to the "Master Objections to Protestants' Cases-in-  
4 Chief Collectively" (Master Objection) filed by the California Department of Water Resources  
5 ("DWR").

6 Furthermore, to the extent that the Master Objection is asserting that any of the evidence  
7 submitted by TCCA is outside the scope of Part 1, DWR has mischaracterized such evidence. All  
8 of the evidence submitted by TCCA is relevant to the issue of whether the proposed changes will  
9 cause injury to legal users of water as outlined in the October 30, 2015 Hearing Notice. Even if  
10 any of the TCCA evidence discusses project funding or property damage due to project  
11 construction (issues that DWR asserts are outside the scope of Part 1), all such evidence discusses  
12 those issues in a manner that is relevant to one of the Part 1 issues and therefore not subject to  
13 exclusion.

14 For the foregoing reasons, TCCA respectfully requests that DWR's Master Objections to  
15 Protestants' Cases-in-Chief Collectively be overruled in its entirety. In the alternative, if the  
16 SWRCB is inclined to grant DWR's request to exclude any TCCA evidence on the basis that it is  
17 outside the scope of Part 1, then NDWA requests that the specific evidence be identified so that a  
18 further response can be made.
