DRAFT - REQUEST FOR ADDITIONAL TIME MEASUREMENT AND MONITORING

Cal. Code Regs., tit. 23, § 936

Permit, License, Statement, Registration, or Certificate Number:

A separate request for additional time is required for each water right. Incomplete forms may not be accepted. Complete this form if the time allowed under the regulation will expire prior to completion of the installation of the measurement or monitoring equipment. Provide attachments if necessary.

Please check the reason(s) you are requesting additional time:

- Currently awaiting grant or loan award. Funding was requested on _____.
- Additional time needed to access site due to weather or other on-site conditions.
- Additional time needed to obtain other agency permits.
- Additional time needed to comply with construction time periods set in other agency permits.
- Additional time needed to deal with unforeseen circumstances.

The State Water Resources Control Board will review the facts presented to determine whether additional time may be granted. (Cal. Code Regs., tit. 23, § 936.) If additional time is not granted, the State Water Board may initiate formal enforcement action.

I (we) request a month extension (24 month maximum) of time to complete measuring and monitoring.

Time to Complete Measurement/Monitoring

Describe the actions taken toward commencing or completing measurement and monitoring. Include the reasons why the program has not been completed and the estimated date the measurement and monitoring will be completed.

§936 Request for Additional Time.

(a) A diverter may submit a request for additional time to comply with the provisions of this Chapter on a form available on the board's website. The additional time granted by the deputy director shall not exceed 24 months per extension.

(b) Approval of a time extension request is contingent on the following:

(1) Financial considerations shall be considered only in cases where the diverter has requested agency funding, and is awaiting grant or loan award.

(2) Extensions based on other considerations are limited to:

(A) minimum time needed to access site due to weather conditions; or

(B) minimum time needed to obtain other agency permits; or

(C) minimum time needed to comply with construction time periods set in other agency permits; or

(D) unforeseen circumstances.

(c) All time extension requests shall be accompanied by documentation of grant or loan request or agency permit requests, as applicable. Funding and/or permit approval documents shall be submitted to the deputy director within 30 days of receipt. Time extension requests based on unforeseen circumstances shall be accompanied by a showing of good cause and a showing that all reasonable efforts have been made to comply with the timelines established in the subdivision (c) of section 932 of this chapter.

(d) All time extension requests shall be accompanied by a plan documenting the additional time needed to comply with the provisions of this chapter. The plan shall describe the interim measurement practices the diverter will implement while diligently pursuing compliance with this chapter.
