State Water Resources Control Board  
P Box 100  
Sacramento, Ca 95812-0100

To Whom It Concerns:

I am a local farmer in the Central Valley and located within the San Joaquin River Exchange Contract area. Please listen to the plan of the Bureau of Reclamation that was put together To address the needs of the Agricultural and Environmental concerns. Farmers need the water And your immediate attention to this matter is of the essence.

Thank you.
