RE: *Objections to Order Approving In Part And Denying In Part A Petition For Temporary Urgency Changes To License And Permit Terms And Conditions Requiring Compliance With Delta Water Quality Objectives In Response To Drought Conditions (In the Matter of Specified License and Permits of the Department of Water Resources and U.S. Bureau of Reclamation for the State Water Project and Central Valley Project)*

Dear State Water Resources Control Board Members and Agency Staff:

The San Joaquin River Exchange Contractors Water Authority (Exchange Contractors) and its members, Central California Irrigation District, Columbia Canal Company, Firebaugh Canal Water District and San Luis Canal Company, supports the letter dated February 13, 2015, submitted by the San Luis and Delta Mendota Water Authority and the State Water Contractors, which contains comments and objections to an order Approving In Part And Denying In Part A Petition For Temporary Urgency Changes To License And Permit Terms and Conditions Requiring Compliance With Delta Water Quality Objectives In Response To Drought Conditions on the Bay Delta Conservation Plan, and its associated Implementation Agreement and draft Report. By and through this letter, the Exchange Contractors adopt each comment and objection in the February 13, 2015 letter as its own, along with all exhibits and attachments to that letter, and incorporates herein by this reference all such comments, objections, and documents.

Sincerely,

Steve Chedester,
Executive Director
