Dear Mariner Cove Marina, LLC:

ADMINISTRATIVE CIVIL LIABILITY COMPLAINT FOR FAILURE TO FILE THREE SUPPLEMENTAL STATEMENTS OF WATER DIVERSION AND USE, AND CONDITIONAL SETTLEMENT OFFER TAYLOR SLOUGH IN CONTRA COSTA COUNTY

This provides legal notice to Mariner Cove Marina, LLC (Cove Marina) of the intent of the State Water Resources Control Board (State Water Board), Delta Watermaster to proceed with formal enforcement for Cove Marina's failure to file the required Supplemental Statement(s) of Water Diversion and Use (Supplemental Statement). **Cove Marina has 20 days from receipt of the enclosed Administrative Civil Liability (ACL) Complaint to act or face additional liability.** Therefore, this matter requires Cove Marina's immediate attention.

VIOLATION DESCRIPTION:

State Water Board records show that Cove Marina filed three Initial Statements of Water Diversion and Use for the period of 2009. On January 30, 2013, the State Water Board mailed Cove Marina a letter for each statement entitled *Notice to Statement of Water Diversion and Use Holders*. This letter formally notified Cove Marina, that Cove Marina is required to file a Supplemental Statement with the State Water Board in accordance with Water Code section 5101 *et. seq.* by July 1, 2013. A second letter for each statement was mailed to Cove Marina on July 26, 2013, entitled *Failure to File Report of Water Diversion and Use*, notifying Cove Marina that Cove Marina's Supplemental Statement had not been received by July 1, 2013 and that Cove Marina would be subject to civil liability for failure to file a statement, if the statement is not filed by Cove Marina. A third letter for each statement entitled *Final Notice of Failure to File Report of Water Diversion and Use and Potential Administrative Civil Liability* was mailed to Cove Marina on August 23, 2013, formally notifying Cove Marina that Cove Marina's Supplemental Statement had not been received, and that Cove Marina would be submit to civil liability of \$1,000 plus an additional \$500 per day for each additional day that the violation continues if the person fails to file a statement within 30 days after the board calls the violation to the attention of that person.

STATUTORY LIABILITY:

Water Code section 5107 authorizes the State Water Board to administratively impose an initial \$1,000 civil liability for failure to file a Statement, plus \$500 per day for each additional day on which the violation continues if the person fails to file a Statement within 30 days after the State Water Board has called the violation to the attention of that person. As discussed above, Cove Marina was provided with the statutory notice on August 23, 2013. Accordingly, the potential maximum civil liability, as of October 11, 2013, for which Cove Marina is liable for Cove Marina' failure to file the three required Supplemental Statements, is \$25,500.

FELICIA MARCUS, CHAIR | THOMAS HOWARD, EXECUTIVE OFFICER

1001 I Street, Sacramento, CA 95814 | Mailing Address: P.O. Box 100, Sacramento, Ca 95812-0100 | www.waterboards.ca.gov

Based on Cove Marina's failure to comply with the legal requirements set forth above, I am hereby issuing the enclosed ACL Complaint proposing that a liability of \$10,000 be imposed for Cove Marina's failure to file the Supplemental Statements. If Cove Marina fails to respond to the ACL Complaint in one of the manners discussed below within 20 days of receiving this notice, then the State Water Board will issue a final ACL Order and seek recovery of this proposed liability amount as authorized by Water Code section 1055.4.

CONDITIONAL OFFER OF SETTLEMENT:

To promote resolution of the alleged Supplemental Statements violations and obtain compliance with the Supplemental Statements filing requirements, I am offering Cove Marina the opportunity to accept a conditional settlement offer (Conditional Offer). The Conditional Offer, as provided in detail in the Acceptance of Conditional Settlement Offer and Waiver of Right to Hearing and Reconsideration (Acceptance and Waiver) enclosed as Exhibit "A" to the ACL Complaint, allows Cove Marina to avoid further formal enforcement by agreeing to pay an expedited payment amount of \$3,500, simultaneously electronically file the necessary Supplemental Statements, and waive the right to a hearing and reconsideration of the violations alleged in the ACL Complaint.

OPTIONS FOR RESPONDING TO ACL COMPLAINT AND CONDITIONAL OFFER OF SETTLEMENT:

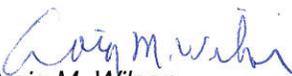

In summary, Cove Marina has two options in responding:

1. Accept the Offer of Conditional Settlement by: (1) signing the Acceptance and Waiver; and (2) submitting the signed Acceptance and Waiver along with the Expedited Payment Amount and electronically file the necessary three Supplemental Statements using the State Water Board's website within 20 days of receiving the enclosed ACL Complaint. If there are extenuating circumstances that Cove Marina would like to discuss, such as an inability to pay the Expedited Payment Amount, then Cove Marina can contact me with that information as soon as possible, but no later than 20 days from receiving the enclosed ACL Complaint.
2. Submitting a written request for hearing signed by, or on the behalf of, Mariner Cove Marina, LLC to the State Water Board within 20 days of receiving the enclosed ACL Complaint.

If Cove Marina does not remit the Acceptance and Waiver, the Expedited Payment Amount, electronically file the necessary Supplemental Statements using the State Water Board's website, nor request a hearing within 20 days of the date Cove Marina received this complaint, then the State Water Board will issue a final ACL Order and seek recovery of the \$10,000 in liability proposed in the ACL Complaint.

If you have any questions, please contact me at (916) 445- 5962 or craig.wilson@waterboards.ca.gov.

Sincerely,

Craig M. Wilson,
Delta Watermaster

ADMINISTRATIVE CIVIL LIABILITY COMPLAINT

In the Matter of Failure to File a Statement of Water Diversion and Use by

MARINER COVE MARINA, LLC

SOURCE: Taylor Slough

COUNTY: Contra Costa

YOU ARE HEREBY GIVEN NOTICE THAT:

1. California Water Code sections 5100-5107 establish a program requiring persons who divert water from a surface stream or a subterranean stream flowing through a known and definite channel (with a few limited exceptions), need to file a Statement of Water Diversion and Use (Statement).
2. Mariner Cove Marina, LLC (Cove Marina) is alleged to have violated California Water Code section 5104(a), which states, in pertinent part:

Supplemental Statements shall be filed at three-year intervals, prior to July 1...
3. Sections 910 and 920, subdivision (a) of the California Code of Regulations require Supplemental Statements of Diversion and Use (Supplemental Statements) to be filed electronically on forms available at the State Water Resources Control Board's (State Water Board) website. The State Water Board's website provides access to the Water Rights Management System for filing Supplemental Statements.
4. California Water Code section 5107(c)(1) provides that the State Water Board may administratively impose civil liability in the amount of \$1,000 for the failure to file a Statement, plus \$500 per day for each additional day on which the violation continues if the person fails to file a Statement within 30 days after the State Water Board has called the violation to the attention of that person.
5. California Water Code section 85230(b) provides that the Delta Watermaster shall exercise the State Water Board's delegated authority to issue Administrative Civil Liability (ACL) Complaints to persons who divert water in the Delta, and impose an ACL, in accordance with Water code section 1831 et seq. Pursuant to State Water Board Resolution 2012-0048, Delta Watermaster is authorized to issue an order imposing an ACL when a Complaint has been issued and no hearing has been requested within 20 days of receipt of the Complaint.

ALLEGATIONS

6. Cove Marina filed three Initial Statements of Water Diversion and Use (S017959, S017962, and S017973) on June 30, 2010.

7. On January 28, 2013, the Division of Water Rights (Division) mailed Cove Marina separate letters for S017959, S017962, and S017973, notifying Cove Marina of the requirement to electronically file the triennial Supplemental Statement of water diversion and use prior to July 1, 2013. Each letter contained the information required to access the online account for each individual statement. The letter indicated that if there are multiple water rights, water use must be reported separately for each right.
8. On July 26, 2013, the Division mailed Cove Marina individual letters, for each statement, which indicated that a triennial Supplemental Statement (Statement) had not been received by the July 1, 2013 deadline and that Cove Marina may be subject to civil liability for failure to file a statement, if no Statement is submitted.
9. On August 23, 2013, the Division mailed Cove Marina a final delinquent notice letter for each statement by certified mail which indicated that a Statement had not been received by the July 1, 2013 deadline and that Cove Marina would be subject to a \$1,000 penalty, plus an additional \$500 per day civil liability commencing 30 days from the receipt of the letter if no Statement is submitted.
10. The United States Postal Service confirmed receipt of the final delinquent notice letters (which were mailed in the same envelope) on August 26, 2013 at 11:45 am, via certified mail (Certificate # 7012346000035215083). The deadline to submit the triennial Statements was September 26, 2013.
11. On October 2, 2013, Office of Delta Watermaster (Watermaster) staff telephoned and spoke with Cove Marina staff, who informed Watermaster staff that Cove Marina had been informed that the statement reports had to be filed by October 7, 2013. Watermaster staff confirmed with Cove Marina staff that Cove Marina had until October 7, 2013 to file the statement reports for the three statements (and one other statement under owner name of Island Resort Properties, LLC). On Friday, October 4, 2013, staff telephoned and left a message on Cove Marina's answering machine that due to updates to the State Water Board's computer servers, the reporting system would be unavailable for the weekend, so Cove Marina had until October 9, 2013 to file the statement reports.
12. No Supplemental Statements were electronically filed by Cove Marina. Cove Marina was given the opportunity to file, but by October 11, 2013, Cove Marina has not done so.

PROPOSED CIVIL LIABILITY

13. Cove Marina failed to submit the required *Supplemental Statements of Water Diversion and Use* by September 26, 2013. The deadline for submittal was July 1, 2013. California Water Code section 5107(c)(1) provides that the State Water Board may administratively impose civil liability pursuant to section 1055 in an amount not to exceed \$1,000, plus \$500 per day for each additional day on which the violation continues if the person fails to file a Statement within 30 days after the State Water Board has called the violation to the attention of that person. Such notice was provided on August 23, 2013.
14. In determining the appropriate amount of a civil liability, California Water Code section 1055.3 requires that the State Water Board consider all relevant circumstances. By October 11, 2013, Cove Marina has been on notice of the requirements for filing a statement for 15 days, therefore the maximum civil liability that can be considered for this time is \$1,000 plus 15 days (\$500), or \$8,500 for each statement, with the combined maximum civil liability for three statements of \$25,500.

15. In this case, no Statements were filed as of the date of this ACL Complaint, despite nine notices being sent on three different dates (three in January 2013, three in July 2013, and the last three in August 2013).
16. Having taken into consideration all relevant circumstances, including but not limited to those specifically recited above, the Delta Watermaster recommends the imposition of \$10,000 in administrative civil liability (Proposed Liability).

CONDITIONAL SETTLEMENT OFFER

17. To promote resolution of the alleged Supplemental Statements filing violations, the Delta Watermaster makes the following conditional settlement offer (Conditional Offer). Cove Marina can avoid further enforcement action and settle the alleged failure to file the Statements violations by agreeing to comply with the terms of the Conditional Offer, provided below, as well as in the *Acceptance of Conditional Settlement Offer and Waiver of Right to Hearing or Reconsideration* (Acceptance and Waiver) enclosed hereto as Exhibit "A".
18. The Conditional Offer requires Cove Marina to pay an expedited payment amount (Expedited Payment Amount) of \$3,500, simultaneously file the necessary Supplemental Statements electronically by accessing the State Water Board's Report Management System at www.waterboards.ca.gov/rms using the User IDs and Passwords shown on the User Information Sheets accompanying this ACL Complaint, and waive the right to a hearing and reconsideration of the alleged violations.
19. To accept the Conditional Offer, Cove Marina must sign and return the Acceptance and Waiver along with the Expedited Payment Amount and electronically file the necessary Supplemental Statements within 20 days of receipt of this complaint.
20. If there are extenuating circumstances that Cove Marina would like to discuss, such as an inability to pay the Expedited Payment Amount, then Cove Marina may contact Craig M. Wilson, Delta Watermaster, with that information as soon as possible but no later than the 20 days from receipt of this complaint.

RIGHT TO HEARING

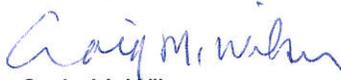

21. Cove Marina may request a hearing on this matter before the State Water Board. Any such request for hearing must be received or postmarked within 20 days of the date that this notice is received. (Water Code, sec. 1055, subd. (b).)
22. If Cove Marina requests a hearing, Cove Marina will have an opportunity to be heard and to contest the allegations in this complaint and the imposition of an ACL by the State Water Board. If a hearing is requested, separate notice setting the time and place for the hearing will be mailed not less than 10 days before the hearing date. The Delta Watermaster may convene a settlement conference prior to noticing a hearing date.
23. If Cove Marina requests a hearing, the State Water Board will consider at the hearing whether to impose the civil liability, and if so, whether to adjust the proposed liability within the amount authorized by statute. Based on the evidence received at the hearing, the State Water Board may take any appropriate action in accordance with sections 100, 275, and 1050 et seq. of the Water Code and/or its responsibilities under the public trust doctrine. Any State Water Board order imposing an ACL shall be final and effective upon issuance.
24. If Cove Marina does not wish to request a hearing within 20 days of receipt of this Complaint, Cove Marina shall electronically file the required Supplemental Statements using the State Water

Board's website, waive his rights to a hearing and reconsideration of this matter, and remit a cashier's check or money order for the Expedited Payment Amount set forth in paragraph 18 above, to:

State Water Resources Control Board
Office of Delta Watermaster
Attn: Craig Wilson
P.O. Box 100
Sacramento, CA 95812-0100

25. If Cove Marina does not remit the Acceptance and Waiver, the Expedited Payment Amount, electronically file the necessary Supplemental Statement using the State Water Board's website, nor request a hearing within 20 days of the date this complaint is received, then the State Water Board will issue a final ACL Order and seek recovery of the liability imposed as authorized by Water Code section 1055.4.

ACCEPTANCE OF CONDITIONAL SETTLEMENT OFFER
AND WAIVER OF RIGHT TO HEARING AND RECONSIDERATION;
(Proposed) ORDER

MARINER COVE MARINA, LLC

Source: Taylor Slough

County: Contra Costa

By signing below and returning this Acceptance of Conditional Settlement Offer and Waiver of Right to Hearing and Reconsideration (Acceptance and Waiver) to the State Water Resources Control Board (State Water Board), MARINER COVE MARINA, LLC (Diverter) hereby accepts the State Water Board's conditional settlement offer (Conditional Offer), and waives the right to a hearing before and reconsideration by the State Water Board at which violations alleged in the Administrative Civil Liability Complaint issued to Diverter (ACL Complaint) to which this Acceptance and Waiver is attached as Exhibit "A" could be disputed.

Diverter agrees to perform the following within 20 days of receipt of the ACL Complaint:

- **Pay administrative civil liability as authorized by California Water Code section 5107 (c), in the sum of \$3,500** (Expedited Payment Amount) by cashier's check or by certified check made payable to the "State Water Resources Control Board" for deposit into the Water Rights Fund, which shall be deemed payment in full of any civil liability pursuant to California Water Code section 5107 (c) that otherwise might be assessed for the violations described in the ACL Complaint.
- **Electronically file the necessary Supplemental Statements of Water Diversion and Use Statement(s) pursuant to Statements S017959, S017962, and S017973 for the 2010, 2011 and 2012 diversion season(s)** as required by Water Code sections 5104 and 5107 (b).

Diverter understands that this Acceptance and Waiver waives the Diverter's right to contest the allegations in the ACL Complaint and the civil liability amount for such violations.

Diverter understands that the failure to submit payment of the Expedited Payment Amount, electronically file the Statements, as identified and described above, along with the signed Acceptance and Waiver within 20 days of receipt of this notice, shall render the State Water Board's Conditional Offer void. If the State Water Board's Conditional Offer is deemed void due to Diverter's non-performance, then the State Water Board will issue a final Administrative Civil Liability order and seek recovery of the full liability amount proposed in the ACL Complaint.

Diverter understands that this Acceptance and Waiver does not address or resolve liability for any violation that is not specifically identified in the ACL Complaint. The filing of a Statement of Water Diversion and Use with the State Water Board does not in any way establish or constitute evidence of a right to divert or use water. (Water Code section 5106 (a).)

Upon execution by Diverter, the Acceptance and Waiver, and Expedited Payment Amount shall be mailed to the following address, and necessary Statement(s) electronically filed:

**Conditional Settlement Offer
State Water Resources Control Board

Diverter understands that this Acceptance and Waiver is not final until it is formally endorsed by the Delta Watermaster.

I hereby affirm that I am duly authorized to act on behalf of and to bind the Diverter in the making and giving of this Acceptance and Waiver.
