**ORDER CANCELING APPLICATION**

---

SOURCE: Unnamed Stream (aka Redwood Creek), tributary to Pacific Ocean

COUNTY: Monterey

---

**WHEREAS:**

1. Joseph P. and Nancy J. Schoendorf (Applicants) filed a water right application with the State Water Resources Control Board (State Water Board), Division of Water Rights (Division), on January 16, 2001, requesting the right to divert up to 75 acre-feet (af) annually from an Unnamed Stream (aka Redwood Creek), tributary to Pacific Ocean in Monterey County.
2. The application was noticed on April 11, 2003. Protests were submitted by the California Sportfishing Protection Alliance, National Marine Fisheries Service, Department of Parks and Recreation and the Department of Fish and Game. All protests were based on potential adverse impacts of the diversion to fisheries and other environmental resources. None of the protests were resolved or dismissed.
3. On October 26, 2010, the Applicants filed an application for a Small Domestic Use Registration (SDUR) with the State Water Board, indicating that they intended to cancel the application upon approval of the SDUR. The SDUR application reduced the project scope to a proposal to divert, for domestic purposes, up to 10 af with a maximum direct diversion of 4,500 gallons per day.
4. On January 27, 2011, the State Water Board accepted the SDUR. On February 2, 2011, the Division received notice from the Applicant requesting cancellation of Application 31126.
5. The State Water Board has delegated the authority to cancel applications to the Deputy Director for Water Rights pursuant to Resolution No. 2007-0057. The Deputy Director has redelegated this authority to the Assistant Deputy Director for Water Rights, and Program Managers, pursuant to redelegation order dated October 4, 2007.

**THEREFORE, IT IS ORDERED THAT APPLICATION 31126 IS HEREBY CANCELED.**
