CORRECTION TO SUPPLEMENTAL STATEMENT NOTIFICATION LETTER

On February 28, 2011, the Division of Water Rights (Division) sent you a notification letter stating the Supplemental Statement of Water Diversion and Use (Supplemental Statement) is an annual reporting requirement. This is incorrect. The Supplemental Statement report is a triennial report. If you were instructed to file a Supplemental Statement and you filed an **Initial Statement** of Water Diversion and Use (Initial Statement) in either 2009 or 2010, you do not need to file a Supplemental Statement until you reach your 3-year reporting cycle. The Division will notify you when you are due to file a report. If you filed online based on the original notification letter, your report will be accepted.

If you filed an Initial Statement prior to 2009, you should continue to complete the online report this year. Your next reporting cycle will be in 2014.

We apologize for any inconvenience the original notice may have caused. If you have technical questions or questions about online filing, please contact us at (916) 341-5431.

Sincerely,

Barbara Evoy, Deputy Director
Division of Water Rights
