Re: Cachuma Project Final Environmental Impact Report on the Consideration of Modification to U.S. Bureau of Reclamation's Water Right Permits 11308 and 11310 (Application 11331 and 11332) (Cachuma Project Proceedings)

Dear Ms. Farwell:

This letter is written on behalf of the City of Lompoc. The City of Lompoc previously submitted comments on the State Water Resources Control Board's 2003 DEIR, the 2007 RDEIR and the 2011 2nd RDEIR for the above-reference water right proceeding. The City of Lompoc has reviewed the Final Environmental Impact Report (FEIR) for the Cachuma Project and does not object to including the FEIR in the administrative record for the Cachuma Project Proceeding. In the event any other party to this proceeding does, however, object, the City of Lompoc reserves the right to participate fully in any evidentiary hearings or other administrative proceedings relating to the Cachuma Project Proceeding.

Very truly yours,

Sandra K. Dunn
