Subject: Do NOT adopt Cal AM CDO

Do not adopt the Cease and Desist Order against Cal American Water.

Farm Bureau is engaged in the Regional Water Program and is concerned that your action will distort the process at a critical time. For the reasons presented by the Monterey County Hospitality Association and because it will upset what is now an orderly and high priority process to address the water needs of all users in Monterey County, the Cease and Desist Order should not be adopted.
