**Subject:** NOI - Dawood Hearing

Dear Mr. Buckman,

Per your request, I am attaching the updated NOIs for the Dawood hearing even though there is a strong indication that the hearing will not take place due to the pending settlement with Yvonne West, senior staff counsel for the State Water Resources Control Board, Office of Enforcement. Should you require any additional information and/or clarification, please do not hesitate to contact me at your convenience.

Sincerely,

Nathan Dawood
