Cease and Desist Order 262.31-18; Administrative Civil Liability
Complaint No. 262.5-40

Dear Ms. Leidigh:

We are writing on behalf of Lake Arrowhead Community Services District ("LACSD") in response to the October 12, 2005 letter from the Arrowhead Lake Association ("ALA"). There are no "procedural irregularities" in this matter, and ALA's assertion to the contrary is an unfounded attempt to delay the hearing. Mojave Water Agency's and ALA's request for a continuance should not be granted, as resolving this issue as quickly and efficiently as possible is of fundamental importance to LACSD and its customers; further, LACSD would be unduly prejudiced by any continuance.

Thank you for your consideration on this matter.

Sincerely,

Eric L. Garner
