Individual(s)/Agency Contacted Jerry Mensch, DF's

Conversation Description Jerry said study on Yuba will not be finished till June 1988 not April 88 as indicated in CBPA complaint. He said he objected, in writing, to the agreement signed by Paul Jensen, Region II, with Prophy State District on the construction and monitoring of the fish gabion at the Saquerre Point dam forebay. He agreed to mail me a copy of this agreement.

He also confirmed that Mike Meny would attend a meeting at the division office (room 225 @ 1:00 p.m. March 31, 1988) at which Rick Haren, USFWS would present videos on the BWD diversion on the Yuba River (referenced above)
