**Inventory:**

Facilities: There are no changes to DV's facility information.

Annual Diversion Data: DV did not divert from their West Fork Russian River Point of Diversion between March 15, 2015 and May 15, 2015.

Stream Stage Monitoring: Collaboration, ahead of formal consultation, with California Department of Fish and Wildlife and National Marine Fisheries Service is underway to develop a plan for inventorying and monitoring high risk stranding surfaces. Other protocols to address stream stage are being considered as well.
