Subject: Nevada Water Right Applications 15664, 24310, 24311, and 24312 – Stampede Reservoir, Washoe Project

Dear Ms. Joseph-Taylor:

The Bureau of Reclamation is in receipt of your letter dated May 11, 2005, regarding Reclamation's multiple water right applications filed with the Nevada State Engineer in support of the Washoe Project. Specifically, your letter addresses Application 15664, which was filed in 1954, and Applications 24310, 24311 and 24312, which were filed in January 1968. These applications relate to the Little Truckee River and Stampede Reservoir. You request that Reclamation provide the Nevada State Engineer with information as to our intentions regarding these outstanding water right applications. Before Reclamation can provide you with this information, we need to conduct a review of our files and make a determination as to our intentions for the subject applications. Once a determination has been reached, Reclamation will advise you.

Your letter was addressed to:

Mr. Kirk Rodgers, Regional Director
U.S. Bureau of Reclamation
3310 El Camino Avenue, Room 300
Sacramento, California 95821

Although this address is the address of a Reclamation facility, it is not the correct address for Mr. Rodgers. The correct address is:

Bureau of Reclamation
