Subject: COMMENT LETTER - AB2121 POLICY

Dear SWRCB,

I write to you as a concerned property owner at The Sea Ranch. I do not claim to be an expert on your proposed policy, but I am told by the directors of The Sea Ranch Association and the Sea Ranch Water Company that the proposed policy would have a very severe impact on water supply at The Sea Ranch. I am also told that there is no economic way to replace the lost water. If this is indeed the case, I urge you to reconsider.

Thank you,

Ralph Samuelson
