

PERMIT TERM 117

Title: Measuring Devices - Underground Storage

When Used: All permits for underground storage.

Term:

Prior to diversion of water under this permit, permittee shall (1) install devices to measure the quantities of water placed into underground storage and (2) install devices to measure or provide documentation of the method to be used to determine the quantity of water recovered from underground storage and placed to beneficial use. All measuring devices and the method of determining the quantity of water recovered from underground storage shall be approved by the State Water Resources Control Board prior to diversion of water under this permit. All measuring devices shall be properly maintained.
