

PERMIT TERM K1

Title: Dam Safety – Small Dam Constructed

When Used: In permits when a protest on dam safety has been filed, and the dam is not within the jurisdictional size of the Division of Dam Safety; and a reasonable doubt exists as to the integrity of the dam or spillway.

Term:

Storage of water under this permit shall not begin until the County Engineer, the United States Soil Conservation Service, or a civil engineer registered by the State of California has approved the plans and specifications for the dam, or has otherwise certified as to the safety of the dam, and any modification, reconstruction, or enlargement of the dam is under the direction of said party.
