Subject: Comment Letter: Salton Sea

Dear Ms. Townsend,

As a Real Estate Broker and Resident working for many years in Imperial and Riverside Counties, I am writing to express my support for the Imperial Irrigation District's (IID) petition regarding the Salton Sea. As stated in the workshop notice, "IID has brought an issue of statewide importance to the Board's attention." This issue affects the health and welfare of every resident of Imperial County, and nearby Riverside County including our children, large senior population that reside at the Salton City, as well as the businesses and industries in our valley and our overall quality of life.

The current condition of the Salton Sea and the accelerated decline expected post 2017 is an issue that cannot be ignored. I request that your Board continue to work with IID and all other stakeholders to achieve the goal of a feasible and fully funded restoration plan for the Sea.

Thank you
Sincerely,

A handwritten signature in blue ink that reads "Michelle Gold".
