

This is a message from the State Water Resources Control Board.

SUBJECT: Request for Temporary Modification to San Joaquin River Flows during October

Please find attached a request from the U.S. Bureau of Reclamation to temporarily modify the San Joaquin River flow requirements during October pursuant to a Temporary Urgency Change Petition. The Executive Director expects to act on this request in the near term. For additional information concerning this matter, please see the State Water Board's website at http://www.waterboards.ca.gov/waterrights/water_issues/programs/drought/tucp.shtml . This request and the Order that the State Water Board adopted on September 24, 2014, related to this matter will be posted shortly.

If you have any questions related to this matter, please contact Diane Riddle at diane.riddle@waterboards.ca.gov or 916-341-5297.
