
State Water Resources Control Board

NOTICE OF CANCELATION OF HEARING DAYS

The State Water Resources Control Board
Administrative Hearings Office
scheduled hearing days on January 22 and 24, 2024,
in the AHO proceeding on the issues the court has referred
to the Board pursuant to Water Code section 2000 in

City of Marina v. RMC Lonestar,
Monterey County Superior Court No. 20CV001387.

**The AHO is CANCELING the hearing days on
January 22 and 24, 2024.**

On May 6, 2022, the State Water Resources Control Board (State Water Board) Administrative Hearings Office (AHO) issued its Notice of Public Hearing and Pre-Hearing Conference in this proceeding. The purpose of this proceeding, background, hearing issues and related information are discussed in that notice. The AHO has conducted Phases 1 through 3 of the evidentiary hearing in this proceeding.

On December 1, 2023, the AHO issued a Notice of Additional Hearing days to be held on January 22 and 24, 2024, for the hearing officer and hearing team to ask questions of the parties' expert witnesses if needed to assist in the preparation of the draft report of referee. On January 5, 2024, I e-mailed the service list to inform the parties that the AHO hearing team and I did not have any additional questions for the parties' expert witnesses after reviewing the written testimony, other evidence, closing briefs, and proposed language for inclusion in the report of referee that the parties submitted. The hearing officer invited the parties to identify any remaining procedural issues that might be best addressed during one of the additional hearing days. None of the parties responded to identify any issues.

Therefore, I am canceling the additional hearing days on January 22 and 24, 2024.
