Business today consists in persuading cowards. -T.S. Eliot

Everything revolves on proof of claim, which is a right to compel performance. If you can't provide your claim then what you are doing is wrong and its all for profit and gain, imposing your will on someone else when you have no right to do it. That's all there is to it.

An argument drawn from authority is the strongest in the law. "The book cases are the best proof of what the law is." Co. Litt. 254a.

Power can never be delegated which the authority said to delegate never possessed itself. N.J. Steam Co. v. Merch Bank, 6 How. (47U.S.) 344, 407.

A person to fill a term of office is not permitted to assume the duties of the office until he files a bond and oath of office, which must be done before the commencement of the term, or the office shall be deemed vacant. People v. Quimby, 152 Colo. 231, 381 P.2d 275 (1963).

An amendment [to the original instrument] is not a repeal. [Fundamental principles are not annulled by amendment.]. *Mass. Bond & Ins. Co. v. U.S.*, 352 U.S. 128, 139.

Fraud is gaining at the loss of another using trickery and deception.

Maxims of Law:

An agreement induced by fraud cannot stand. --Those who join in the fraud are as guilty as those perpetuating it.

Nothing can be offered by an agreement that there shall be no accountability for fraud.

Those things which are impossible to be given, or which are not in the nature of things, are regarded as no part of an agreement.

What recourse does the community have to voice concerns about local problems or disagree with decisions by officials, or staff, who occupy positions without any accountability or responsibility?

"There's an old saying in Tennessee — I know it's in Texas, probably in Tennessee — that says, fool me once, shame on — shame on you. Fool me — you can't get fooled again" -Bush jr.

Please provide certified copies of your Oath of Office and the Bonds that are filed into the public record, PRIOR to planned acts paid for by your employers, We, the People! No Bond means the actors have no more authority than the ice cream man.
