Please don't take our water.

It will devastate our economy.

Respectfully,

### Adam Gray Website

Don't forget to make your comments by this Friday before the State Water Resources Control Board finalizes their plan to take hundreds of thousands of acre-feet of our water from North Valley rivers.

**Please submit your comments to the Water Board by emailing:**

I hope that you will be able to participate in our upcoming rally to "Stop the Regulatory Drought" on August 20th at noon at the State Capitol, as well. The Details are at the bottom of this email and we will make sure to provide more information, including transportation options, as we get closer to the event date. You can RSVP by calling (209) 726-5465.

Thank you to those of you who have already submitted comments and RSVPs for the rally. It is vital that we stand together for our water and our region.

Thank you for your advocacy,

Adam Gray  
State Assemblymember, 21st District
