Address	<i>Kentfield California United States</i>
Email	<i>bluemeridiandesign@gmail.com</i>
Comments	<i>I am writing to urge you to take a stronger stand for the rivers that sustain the Bay-Delta Estuary in Phases 1 and 2 of the Water Quality Control Plan updates. The currently proposed standards leave less than half the water in these mighty rivers and will not do enough to restore healthy populations of endangered species like Chinook salmon. I am counting on you to give our fish and wildlife a fighting chance. Thank you.</i>
