

STATE WATER RESOURCE CONTROL BOARD
RESOLUTION NO. 81-80

APPROVING REVISIONS TO THE CENTRAL VALLEY REGION'S
PHASE II 208 WORKPLAN FOR COUNTY STUDIES, MINING,
AND WATER QUALITY PROBLEM ASSESSMENT PROJECTS

WHEREAS:

1. The State Water Resources Control Board is responsible for supervising 208 planning under the Federal Water Pollution Control Act as amended (PL 92-500).
2. The State Board approved a Phase II 208 workplan for the Central Valley Region (Region 5).
3. Region 5 staff proposes to revise the County Studies, Mining, and Water Quality Problem Assessment portions of this workplan as follows:
 - o delete Alpine, Amador, Lake, and Yuba Counties from the County Studies lists;
 - o delete Georgetown RCD from the County Studies list;
 - o delete the \$20,000 contract with the SCS for an IPA and make the \$20,000 available for redirection;
 - o add Butte County to the County Studies list;
 - o reduce Region 5 administrative staff funding from \$88,000 to \$58,000 and make the \$30,000 available for redirection;
 - o reduce County contracts studies funding from \$150,000 to \$125,000 and make the \$25,000 available for redirection;
 - o delete the State Board participation in the Water Quality Problem Assessment and make the \$80,000 available for redirection; and
 - o add the Pollution Abatement Action Plan contract for Shasta King Mine portals to the mining workplan and fund it with \$50,000 of the 208 funds listed above as available for redirection;
4. State Board staff proposes to redirect to the Special Projects 208 Program Administration project the \$105,000 made available by the proposed workplan revision.
5. The State Board has considered comments pertaining to the proposed workplan revisions at its August 20, 1981, meeting.

THEREFORE BE IT RESOLVED:

That the State Board:

1. Approves the proposed changes to the Phase II 208 Central Valley Region workplan for County Studies, Mining, and Water Quality Problem Assessment.
2. Reallocates the remaining \$105,000 of the Central Valley Phase II 208 funds to the State Board's 208 Program Administration project.
3. Directs the Executive Director to transmit the revised workplan to EPA and requests EPA approval of the revisions.
