

STATE WATER RESOURCES CONTROL BOARD
RESOLUTION NO. 92-13

AUTHORIZING THE EXECUTIVE DIRECTOR TO NEGOTIATE, EXECUTE,
AND AMEND, AS NECESSARY, AN INTERAGENCY AGREEMENT WITH
THE UNIVERSITY OF CALIFORNIA, DAVIS,
TO CONDUCT AN INLAND SURFACE WATER TOXICITY
TESTING PROJECT IN FISCAL YEARS (FY) 1992-93 AND 1993-94

WHEREAS:

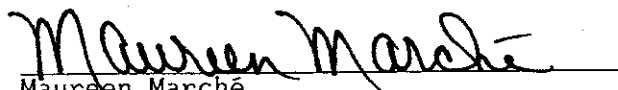

1. The State Board has the responsibility to maintain the State's high quality waters;
2. Some high priority waters in four regions have been identified as impaired or threatened by discharges which are toxic to aquatic life;
3. Toxicity testing investigations are required to determine the severity and frequency of toxicity, as well as the pollutants responsible;
4. The University of California, Davis, has qualified personnel, facilities, and experience to conduct these toxicity tests; and
5. It is desirable to include all toxicity testing with the University in one master contract to reduce contract processing work by State and Regional Board staffs.

THEREFORE BE IT RESOLVED:

That the State Board authorize the Executive Director or his designee to negotiate, execute, and amend, as necessary, a 2-year interagency agreement with the University of California, Davis, to conduct an Inland Surface Water Toxicity Testing Project in FYs 1992-93 and 1993-94 for an amount not to exceed \$259,500.

CERTIFICATION

The undersigned, Administrative Assistant to the Board, does hereby certify that the foregoing is a full, true, and correct copy of a resolution duly and regularly adopted at a meeting of the State Water Resources Control Board held on February 20, 1992.

Maureen Marché
Administrative Assistant to the Board
