Review of Order No. 73-18 of the ) Order No. WQ 73-20  
California Regional Water Quality )  
Control Board, San Diego Region. )

BY THE BOARD

On May 21, 1973, the Santee County Water District (Petitioner) submitted a petition to the State Water Resources Control Board (State Board) requesting review of Order No. 73-18 of the California Regional Water Quality Control Board, San Diego Region (regional board). The Petitioner additionally requests the State Board to stay the effect of Order No. 73-18 pending disposition of the petition.

The State Board finds that:

1. The petition raises issues appropriate for review;
2. This petition should be consolidated with prior petitions of Santee County Water District and Department of Fish and Game for review of Addendum No. 4 to order No. 60-R23, and the petition by the Department of Fish and Game for review of Addendum No. 1 to Order No. 63-R14.

3. The petition does not establish either substantial harm to the Petitioner or to the public interest if a stay is not granted, nor lack of substantial harm to other interested persons or to the public interest if the stay is granted.

THEREFORE, IT IS ORDERED THAT:

1. The petition to review Order No. 73-18 be accepted for review;

2. The petition be consolidated with the prior petitions of the Santee County Water District and the Department of Fish and Game and be considered in one order; and

3. The stay of Order No. 73-18 be denied.
