STATE OF CALIFORNIA STATE WATER RESOURCES CONTROL BOARD

In the Matter of the Petition of Mobil Oil Corporation to Review Action by the California Regional Water Quality Control Board, Los Angeles Region

Order No. WQ 75-13

261

BY THE BOARD:

Mobil Oil Corporation, hereinafter referred to as petitioner, has submitted a petition to the State Water Resources Control Board, hereinafter referred to as the State Board, requesting review of Order No. 75-25 (NPDES Permit No. CA0055387) of the California Regional Water Quality Control Board, Los Angeles Region. The petition filed by the petitioner requests that the State Board stay the application and enforcement of Order No. 75-25 pending disposition of the petition.

The State Board finds that:

1. The petition raises issues appropriate for review.

2. The petition does not establish either substantial harm to the petitioners or to the public interest if a stay is not granted, nor lack of substantial harm to other interested persons or to the public interest if the stay is granted. THEREFORE IT IS ORDERED that (1) the issues raised by the petitioner be reviewed and (2) the stay of Order No. 75-25 requested by petitioner is denied. Dated: May 15, 1975
