STATE OF CALIFORNIA STATE WATER RESOURCES CONTROL BOARD

In the Matter of the Petition of Mobil Oil Corporation for Review of Order No. 75-92 (NPDES Permit No. CAO053813) of the California Regional Water Quality Control Board, Los Angeles Region.

Order No. WQ 75-26

BY THE BOARD:

Mobil Oil Corporation, hereinafter referred to as petitioner, has submitted a petition to the State Water Resources Control Board, hereinafter referred to as the State Board, requesting review of Order No. 75-92 (NPDES Permit No. CA0053813) of the California Regional Water Quality Control Board, Los Angeles Region. The petitioner requests that the State Board stay the effect of Order No. 75-92 pending review of the petition by the State Board.

The State Board finds that:

1. The petition raises issues appropriate for review.

2. The petition did not allege that substantial harm to petitioner would occur if a stay were not granted, nor did the petition allege that a stay would not substantially harm the public interest. Both allegations are required by Section 2053, Subchapter 6, Chapter 3, Title 23, California Administrative Code. THEREFORE IT IS ORDERED that (1) the issues raised by the petitioner be reviewed and (2) the stay of Order No. 75-92 requested by petitioner is denied. Dated: SEP 18 1975
