**Section I: INTRODUCTION**

1. This Settlement Agreement and Stipulation for Entry of Administrative Civil Liability Order (Order, Stipulation, or Stipulation and Order) is entered into by and between the State Water Resources Control Board (State Water Board), on behalf of the Underground Storage Tank Cleanup Fund (Cleanup Fund), and Hayden Environmental, Inc. dba TKO EnviroServices, (TKO) and its principals Julie Hayden and Kurt Hayden (Settling Respondents), (collectively "Parties"), and is presented to the State Water Board, or its delegee, for adoption as an Order by settlement, pursuant to Government Code section 11415.60. This Stipulation resolves the violations alleged herein by the imposition of administrative civil liability against TKO in the amount of **\$100,000.00**.

**Section II: RECITALS**

2. On September 4, 2015, the Office of Enforcement's Fraud, Waste, and Abuse Prevention Unit (Fraud Prevention Unit) issued a request for information and investigative subpoena to TKO. The request notified TKO that the Fraud Prevention Unit was in the process of conducting an audit of invoices submitted, either directly or through claimants, by TKO to the Cleanup Fund.
3. The audit focused on alleged misrepresentations TKO made to the Cleanup Fund.
4. Misrepresentations by the Settling Respondents to the Cleanup Fund are the factual basis of the charges in Santa Barbara Superior Court Case 17CR10065. The State Water Board alleged misrepresentations administratively, including those alleged in the criminal case referenced.

5. Effective September 25, 2014, Senate Bill 445 (Stats. 2014, Ch. 547) amended the Health and Safety Code, adding several provisions, including section 25299.80 that allows the State Water Board to impose up to \$500,000 civil liability administratively for each misrepresentation made to the Cleanup Fund. The Health and Safety Code also provides for the recovery of enforcement costs and disqualification of persons from participation in the Cleanup Fund for violations of section 25299.80.
6. On September 28, 2017, Kurt and Julie Hayden were charged in a felony complaint with Penal Code violations and violations of Health and Safety Code section 25299.80.5(a) by the Santa Barbara County District Attorney's Office.
7. In April of 2018, the parties agreed to discuss settling the administrative and civil case brought by the State Water Board Cleanup Fund against the Settling Respondents. All parties to this Stipulation and Order agree that based upon the investigation by the Fraud Prevention Unit, there are sufficient facts to form the basis for guilty pleas to an added Count 4 misdemeanor violation of Health and Safety Code section 25299.80.5 in Santa Barbara Superior Court Case 17CR10065, above.
8. The Parties have engaged in settlement negotiations and agree to fully and finally settle this administrative action for **\$100,000.00** without administrative or civil litigation and by presenting this Stipulation to the State Water Board, or its delegee, for adoption as an Order by settlement, pursuant to Government Code section 11415.60 and Health and Safety Code section 25299.80.
9. The Cleanup Fund believes that the resolution of the alleged matter set forth herein is fair and reasonable and fulfills its enforcement objectives, that no further action against TKO is warranted concerning invoices TKO submitted to the Cleanup Fund, either directly or through claimants, except as provided in this Stipulation, and that this Stipulation is in the best interest of the public.

- c. Settling Respondents agree to waive all rights to appeal or petition, administratively or judicially, or in any forum or venue, any and all determinations of eligibility made by the Cleanup Fund with respect to reimbursement of costs and work performed at any site. All determinations regarding whether costs invoiced to the Cleanup Fund are eligible reasonable and necessary costs are final.
- d. Settling Respondents agree to waive and/or abandon all appeals or petitions related to any reimbursement requests for costs incurred on claims within the meaning of division 20, chapter 6.75 of the Health and Safety Code presently before the State Water Board and/or any court in California or anywhere in the United States of America.
- e. Settling Respondents agree that after May 2, 2018, any and all work performed, supervised by and/or directed by TKO and/or its principals that has not been submitted for reimbursement by the Cleanup Fund is not eligible reasonable and necessary costs and, therefore, not subject to reimbursement from the Cleanup Fund. This includes, but is not limited to, work performed by a third party or subcontractor to TKO not submitted as part of a reimbursement request by May 2, 2018.
- f. Settling Respondents agree they are not entitled to any further payment from UST Cleanup Fund claimants based upon any reimbursement request submitted to the State Water Board's Cleanup Fund, including costs submitted or pending appeal or petition before the State Water Board, submitted but determined ineligible, or for work completed but not yet submitted or appeals or petitions not yet submitted, except as otherwise provided by paragraph 12 of this Order.

- g. Settling respondents reserve the right to seek payment from claimants, including civil actions against claimants, who received reimbursements from the Cleanup Fund, and have not forwarded any reimbursements lawfully due to Settling Respondents.
  - h. Settling Respondents will provide written notice to all clients of TKO, including those clients who are existing site claimants, that they are no longer doing any work for any claims, grants, or loans within the meaning of division 20, chapters 6.75 and 6.76 of the Health and Safety Code. Copies of the written notice shall be submitted to the contacts in paragraph 16 within 30 days of the effective date of this order.
12. The State Water Board's Cleanup Fund agrees to review reimbursement requests submitted by May 7, 2018 and reimburse claimants for eligible, reasonable and necessary costs for work performed on claims where TKO was active and authorized to work prior to September 28, 2017, and for which TKO has not already been paid by a claimant. The claims considered under this paragraph are summarized in the attached table. Within 90 days of the effective date of this Order, the Cleanup Fund will approve for payment all costs eligible for reimbursement under this paragraph.
- a. Payment for Cleanup Fund Claim No. 16959 will not be approved unless and until a successor claimant is approved by the Cleanup Fund and the successor claimant is determined eligible to receive reimbursement for the costs incurred. Settling Respondents reserve the right to seek reimbursement from a successor claimant for Claim No. 16959.
  - b. The Cleanup Fund will not make any payments that are otherwise contrary to statutes, regulations or decisional authority.
  - c. The Cleanup Fund will notice TKO when reimbursements are issued to claimants pursuant to this Stipulated Order.
13. **Covered Matters:** This agreement covers all the administrative actions the State Water Board alleged in relation to the conduct described in paragraph 4 under Health and Safety Code section 25299.80.
