

State Water Resources Control Board

P.O. Box 100

Sacramento, CA 95812-0100

04 NOV 2016 PM 7 L

Dear Board Members,

Please help our Salton Sea communities by funding and expanding restoration projects that improve both air quality and habitat. I also urge you to support long-term ocean water import to conserve the natural beauty of the Sea and secure water for our region's health and future.

Sincerely,

Anthony Spencer Ramirez
