- 12:00 pm Drive by Smuggler's Gulch maintenance area
- 12:30 pm Return to Water Board Office

Attire recommended: Outdoor casual; comfortable walking shoes and a jacket or windbreaker and a hat as desired. The weather in March can be cool, but with low likelihood of rain. There is one potential restroom stop at Border Field State Park and there may be porta potties at the State Park entrance near Goat Canyon, but there are few opportunities otherwise for refreshment stops.
