NOTICE IS HEREBY GIVEN
The State Water Resources Control Board (State Water Board) will hold a public webinar to discuss updates to the Urban Water Supplier Reporting Tool. Interested persons can provide input at the online meeting or via email to the contacts specified in this notice. This is an informal stakeholder meeting where State Water Board staff will be present, but the State Water Board will take no formal action.

BACKGROUND
On May 31, 2018, the Governor signed into law Senate Bill 606 (Hertzberg) and Assembly Bill 1668 (Friedman) to improve water conservation and drought. This law authorized the State Water Board, per Water Code section 10609.28, to issue a regulation requiring a wholesale water supplier, an urban retail water supplier, or a distributor of a public water supply, as that term is used in Section 350, to provide a monthly report relating to water production, water use, or water conservation.

The regulation on Monthly Urban Water Conservation Reporting was adopted by the State Water Board at its regularly scheduled April 21, 2020, Board Meeting. As such, the State Water Board ordered staff to work with water suppliers to ensure data are reasonably accurate when reported and updated as needed, and to develop recommendations to streamline reporting to make data more accessible and useful, per requirements of the Water Code section 10609.15, by April 1, 2021, recognizing that sound data management requires continuous improvement.
MEETING PURPOSE
This webinar will provide a detailed overview of updates to the Urban Water Supplier Reporting tool used for monthly reporting and an opportunity to address questions from stakeholders.

PROCEDURAL MATTERS
Due to ongoing circumstances related to the COVID-19 emergency, all public participation will be remote via an online hosted platform. This webinar will provide opportunities for stakeholder feedback. The presentation slides will be shared via the webinar platform. Questions, comments, and discussion items will be collected via the webinar or via email through the contacts provided in this notice.
