Subject: Fw: draft update order R3-2014-0050

Dear Mr. Rokke,

The up-coming hearing concerning Cambrian's water supply is extremely important. I have lived here for 32 years and owned property since mid 1950s. Water has always been a problem. Please help us keep the SWF in use. Even without any growth we need a water supply we can count on for periods on drought and fire protection.

Sincerely,

Jim Anderson
