Subject: Cambria WDR Update – Order No. R3-2014-0050

Dear Mr. Rokke,

At our recent regular board meeting held on February 28, 2019, the Cambria Community Services District, Board of Directors reviewed the draft update of the RWQCB Order No. R3-2014-0050, [Waste Discharge Requirements (WDRs) and Waste Recycling Requirements (WRRS) for the Cambria CSD Emergency Water Treatment Facility and Recycled Water Re-Injection Project] and authorized me to send a letter of support.

We appreciate your efforts and the others at the Regional Board throughout the challenges encountered by the CCSD and will strive to complete the closure of the Impoundment Basin and other permitting efforts in a timely manner.

Sincerely,

/s/

David Pierson
Board President
