Sir,

My name is Jim Fedele,

I am on the CCSD water wait list . It is true that there is a shortage of water intermittently, but the real problem is political, recently a lot that has position number 122 on the CCSD list, sold for \$20,000. The political problems Have caused tremendous financial hardship.

Your typical CCSD waitlist lot is owned by A husband and wife. Mom and Dad!

Mom is well into menopause, and Dad ? His prostate is the size of a beach ball, they are just hoping to get a few years in Cambria .

The political problem in Cambria is wrong! Cambria is like a private country club that does not allow blacks and Jews. I need you to use your influence to end this injustice.

Jim
