Subject: LOCS D

Roger,
I fully expect to receive a refund on the assessment district that was voted in by the property owners of Los Osos.
Thank you.

LOCS D Board of Directors:

We would like to make a formal demand that the Los Osos CSD return any and all funds paid through the special assessment passed by the property owners of Los Osos in 2001. We further demand that you discontinue any future assessments for the stopped wastewater project.

We expect a formal reply to our demand at your earliest opportunity.
We expect to be reimbursed immediately since no project is being built.

Thank you.

Dianne and Allen Moore
