

Preliminary Draft Agricultural Order

NEXT STEPS

Central Coast Water Board

Our Challenge

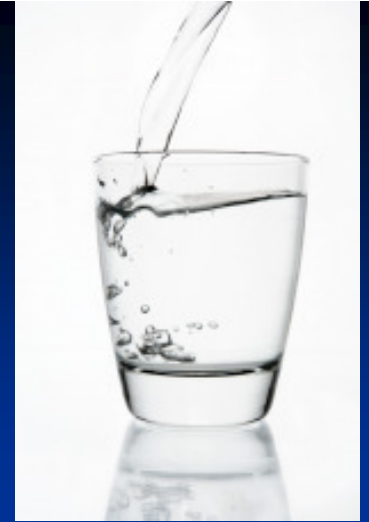

- **Agriculture is important.**
- **Pollution is severe and widespread.**
- **Polluting is illegal.**
- **People are paying to clean drinking water.**
- **People have a right to clean water.**
- **Water Board must protect drinking water.**

Next Steps

- **May- Aug**
 - Evaluate Comments
 - Seek direct input on Draft Order(s)
- **July: Public Workshop in the North**
 - (renew existing Order)
- **February 2011**
 - Propose Revised Order(s) to Board

Our Goal

**Regulate agricultural pollution
to improve and protect
water quality and aquatic habitat.**
