2018 | Leadership Award

Find System or Address

→ Almost **300 communities** in CA
 → More than **one million** people impacted

State Water Resources Control Board

Some residents
spend up to 10% of
their household
income on drinking
water.

Arsenic and nitrate drinking water contamination disproportionately impacts **low-income and Latino communities**

Balazs et al. 2011

2012 Human Right to Water Act

“Every human being has the right to safe, clean, affordable, and accessible water adequate for human consumption, cooking, and sanitary purposes.”

Securing the Human Right to Water

East Porterville for Water Justice

AGUA Coalition

Thank you.

... Because clean water is a human right, not a privilege.
