

**CENTRAL COAST REGIONAL WATER QUALITY CONTROL BOARD  
895 Aerovista Place, Suite 101  
San Luis Obispo, CA 93401-7906**

**RESOLUTION NO. R3-2018-0004**

**APPROVING THE LOCAL AGENCY MANAGEMENT PROGRAM  
FOR  
MONTEREY COUNTY ENVIRONMENTAL HEALTH BUREAU**

The Central Coast Regional Water Quality Control Board (Central Coast Water Board) finds:

1. On June 19, 2012, the State Water Resources Control Board (State Water Board) adopted Resolution No. 2012-0032, which in part, approved the *Water Quality Control Policy for Siting, Design, Operation, and Maintenance of Onsite Wastewater Treatment Systems* (OWTS Policy);
2. The OWTS Policy allows a local agency to propose a Local Agency Management Program (LAMP) to the Central Coast Water Board for approval;
3. The Monterey County Environmental Health Bureau (Environmental Health) submitted on May 13, 2016, an initial draft LAMP for review by Central Coast Water Board staff;
4. Environmental Health held five public outreach meetings where they answered questions and received comments about the initial draft LAMP from stakeholders;
5. Environmental Health created a technical advisory committee on July 20, 2016 to provide comments and assist in the further development of the Monterey LAMP;
6. Central Coast Water Board staff solicited, received, and incorporated comments from the State Water Resources Control Board, Division of Drinking Water into the LAMP;
7. On April 3, 2018, the Monterey County Board of Supervisors adopted the LAMP and submitted it to the Central Coast Water Board for approval;
8. Environmental Health and Central Coast Water Board worked collaboratively in the development of the LAMP and have determined that the LAMP addresses the required elements of the OWTS Policy;
9. On May 10-11, 2018, the Central Coast Water Board, in a noticed public meeting, heard and considered all comments pertaining to this action.

**THEREFORE, BE IT RESOLVED:**

1. The Central Coast Water Board hereby approves the Monterey County LAMP submitted by the Monterey County Environmental Health Bureau;
2. The Central Coast Water Board directs that Environmental Health may implement onsite wastewater treatment system programs pursuant to its LAMP within its local jurisdiction; and

3. The Central Coast Water Board further directs its Executive Officer to act on its behalf to process for review, comment and provide approval of future modifications to the LAMP submitted by Environmental Health.

I, John M. Robertson, Executive Officer, do hereby certify the foregoing is a full, true, and correct copy of a resolution adopted by the Central Coast Regional Water Quality Control Board on May 10-11, 2018.

---

John M. Robertson  
Executive Officer
