

Details for October 22, 2020, Central Coast Water Board Meeting Information

Background

As a result of the COVID-19 emergency and the Governor's Executive Orders N-29-20 and N-33-20, this meeting will occur solely via remote presence by video and teleconference. There will not be a physical public access location. The Water Board is conducting the meeting this way to protect public health by avoiding public gatherings and ensuring social distancing. At the same time, the Water Board remains committed to transparency. Members of the public will be able to listen to and watch the meeting.

The Water Board asks for patience and cooperation. While every effort has been made to streamline the experience and conduct meetings in the manner to which our stakeholders have grown accustomed, there may be technical issues and human error. We will attempt to correct any issues that arise as soon as we can.

Individuals who require special accommodations are requested to contact the Clerk to the Board by phone at (805) 549-3140 or by email at RB3-CommentLetters@Waterboards.ca.gov
