312 and 320 N. Nopal Street  
Santa Barbara  
December 31, 2019**

The Central Coast Water Board is providing this notification to the landowners, residents/tenants, and interested parties near this groundwater cleanup site to notify you of upcoming cleanup actions, and to solicit comments.

***El Consejo Regional de la Costa Central para el Control de Calidad de Agua está proporcionando esta notificación a inquilinos y propietarios, y las partes interesadas del área circundante al sitio de limpieza del suelo y las aguas subterráneas para notificarles de las acciones futuras de limpieza, y solicitar comentarios. Si desea obtener información en español, póngase en contacto con Hector Hernandez al (805) 542-4641***

The Central Coast Regional Water Quality Control Board (Central Coast Water Board) is the public agency with primary responsibility for the protection of the quality of the waters of the state. Former operators and owners caused chemicals to spill into soil and groundwater and the Central Coast Water Board has required these responsible parties to investigate and remediate these chemicals. The purpose of this notification is to provide you with an opportunity to comment on the draft Cleanup and Abatement Order that directs the former operators and owners to conduct additional investigation and cleanup in your community to improve water quality.

### **Public Comment Period**

You have until **January 31, 2020**, to comment on the draft Cleanup and Abatement Order. A complete copy of this document can be found at the link below:
