Project Applicant	City of Monterey Department of Plans and Public Works – Thomas Korman
Applicant's Agent	Dudek – David Wickens
Project Name	Del Monte Lake Weir Improvement
Receiving Water	Del Monte Lake
City/County	Monterey / Monterey
Public Notice	June 15, 2018 – July 6, 2018
Project Description	The purpose of this project is to improve the performance of the weir structure to enable proper passage of stormwater overflow and prevent flooding of the nearby roadway during storm events. The project activities include: • Replacing the existing weir boards in the structure with new weir gates; • Isolating work inside the weir structure from Del Monte Lake by installing a temporary sandbag coffer dam; and • Placing and maintaining the temporary coffer dam below the Ordinary High-Water Mark to ensure a dry work space. No mitigation proposed. City of Monterey filed a Categorical Exemption on May 25, 2018.
