Project Applicant: Monterey County Public Works, Facilities, and Parks Department – Randell Ishii

Applicant's Agent: Harris & Associates – Emily Mastrelli

Project Name: Lake San Antonio South Shore Water System Improvements Program

Receiving Water: Lake San Antonio

City/County: Bradley / Monterey

Public Notice: July 12, 2022 – August 2, 2022

Project Description:

The purpose of the proposed project is to repair and improve the Lake San Antonio south shore water system transport, storage, and treatment.

The proposed project activities include:

- Replacing the lake intake water main;
- Constructing a new 10,000-gallon welded steel water storage tank;
- Improving the existing pump house;
- Replacing the existing 500,000-gallon welded steel water storage tank; and
- Replacing the sand media within the water treatment plant's five pressure vessels.

Proposed Mitigation:

Rehabilitation of 0.18 acres and 540 linear feet of Riparian habitat.
