Project Applicant: Coastal San Luis Resource Conservation District – Jennifer Szeliga

Applicant's Agent: Coastal San Luis Resource Conservation District – Hayley Barnes

Project Name: Stenner Creek Watershed Enhancement Project

Receiving Water: Stenner Creek

City/County: San Luis Obispo / San Luis Obispo

Public Notice: April 18, 2024 – May 9, 2024

Project Description:

The purpose of the proposed Project is to provide long-term reduction of road related sediment delivery to Stenner Creek and Brizzolara Creek.

The proposed project activities include:

- Replacing 13 undersized stream crossing culverts with larger Corrugated Metal Pipe (CMP) culverts;
- Excavating sediment and debris from a stream crossing culvert inlet;
- Installing 9 trash racks above stream crossing culvert inlets;
- Replacing 5 culverts with 2 rocked ford crossings and 4 armored fill crossings; and
- Installing a grade control structure.

No mitigation is proposed.
