

SECTION 401 WATER QUALITY CERTIFICATION PUBLIC NOTICE

The Central Coast Water Board is currently reviewing a Clean Water Act section 401 Water Quality Certification application for the project described below. We encourage public comments on the proposed project and will take comments into consideration when taking action on the application. You may submit written comments on this project to:

Central Coast Regional Water Quality Control Board
895 Aerovista Place, Suite 101
San Luis Obispo, CA 93401
Attention: 401 Coordinator
OR

centralcoast@waterboards.ca.gov
Attention: 401 Coordinator

Project Applicant: Valley Club of Montecito – John Bishop

Applicant's Agent: Padre Associates – Christina Santala

Project Name: Romero Creek Debris Excavation

Receiving Water: Romero Creek

City/County: Montecito / Santa Barbara County

Public Notice: October 19, 2026 – November 9, 2026

Project Description:

The purpose of the proposed project is to remove accumulated sediment from Romero Creek to improve water conveyance and reduce the potential for flooding on the adjacent golf course.
